

Consent to Treatment

By signing below, I do hereby voluntarily consent to be treated with acupuncture by licensed acupuncturist, Esly Caldwell III, L.Ac.. I understand that acupuncturists practicing in the state of Ohio are not primary care providers and that regular primary care by a licensed physician is an important choice that is strongly recommended by this practitioner.

Acupuncture/Moxibustion: I understand that acupuncture is performed by the insertion of needles through the skin or by the application of heat to the skin (or both) at certain points on or near the surface of the body in an attempt to treat bodily dysfunction or diseases, to modify or prevent pain perception, and to normalize the body's physiological functions. I am aware that certain adverse side effects, although rare, may result. These could include, but are not limited to: local bruising, minor bleeding, fainting, pain or discomfort, and the possible temporary aggravation of symptoms existing prior to acupuncture treatment. I understand that no guarantees concerning its use and effects are given to me and that I am free to stop acupuncture treatment at any time.

Direct Moxibustion: I understand that if I receive direct moxibustion as part of therapy, there is a risk of burning or scarring from its use. I understand that I may refuse this therapy. I understand that there may be other treatment alternatives, including treatment offered by a licensed physician.

Notice of Privacy Policies and Patient Rights

I have read and understood the HIPAA privacy policies of Caldwell Family Wellness. I acknowledge that I have had an opportunity to ask questions about it and all questions I have asked have been fully answered.

I have carefully read and understand all of the above information and am fully aware of what I am signing. I understand that I may ask my practitioner for a more detailed explanation. I give my permission and consent to treatment.
