

ENTERING THE EXTRAORDINARY VESSELS

with

Esly Caldwell, LAc

March 23-24, 2019 Port Charlotte, FL

The Extraordinary Vessels are one of the most mysterious and mystical aspects of Chinese Medicine. This exciting weekend experience will be an immersion into the vessels and emphasizes both their personal and professional use for cultivation and wellness.

Simple techniques for the use of the Vessels will be presented along with a step-by-step method for cultivation and wellness care.

This all new, updated & enhanced **Entering the Vessels Experience** includes an extensive digital manual & ongoing online support.

- ▶ Enhance all therapeutic skills you already possess
- ▶ Qi Gong and Meditations for Each Vessel
- ▶ Clinical applications of the Vessels to treat a wide range of conditions
- ▶ Experiential immersion into the world of the Vessels
- ▶ For acupuncturists as well as allied health providers and lay people interested in energy cultivation and self-healing

14 NCCAOM PDA Credits Available

*Esly Caldwell is a gifted teacher and practitioner of the healing arts. Esly's unique and diverse background in yoga, qi gong, and Chinese traditional medicine make him uniquely qualified to share the cultivation, wellness and healthcare dimensions of the extraordinary vessels. I am extremely pleased that he has agreed to teach NSEV's foundation course, **Entering the Vessels**.*
